In Memory of Marc André Robichaud 1975-2012

On January 10, 2012, Marc lost a courageous battle with lymphoma, leaving behind him an incredible legacy for a young man.

Marc was the 5th generation to run UJ Robichaud & Sons Ltd., a locally owned heritage company in Clare, Nova Scotia. Operating today as UJ Robichaud TIM-BR Mart, it has been in existence since 1867.

A graduate of Acadia University, Marc was an adventurer, outdoorsman, and an incredibly active member of his community, and of his industry. A dedicated chamber board member, at the time of his passing Marc was in his second term as treasurer of the Chambre de commerce de Clare. Prior to this role, he served as president for five years.

On behalf of our board, staff, and membership, we at the Atlantic Provinces Chambers of Commerce would like to offer our sincerest condolences to Marc's family, friends, and community on their loss. We would like to recognize his outstanding dedication to the chamber of commerce movement, and his belief in his local business community. He will be greatly missed.
