

DOOR CHIMES

Welcome your guests in style with the elegance of a Broan Door Chime.

Quality and reliability –
that’s the Broan
advantage

Nothing sets the tone
like a Broan door chime

The Broan Collection of Door Chimes

The Broan® Difference

As home ownership increases, so does the desire for high-quality, decorative home accents. Broan has successfully identified and translated the needs of Canadian consumers into a collection of door chimes that makes decorating easier - for a lifetime.

Positioning for Leadership with the Broan® Brand

Broan consumers have discriminating taste and are willing to invest more for greater dependability and reliability.

Worldwide Technology and Product Development

With a tradition of fashion and quality that dates back to 1932, Broan facilities continually research and develop innovative new products. Popular global and domestic designs are brought to North America to meet both Canadian and U.S. market needs.

Styles that last a lifetime

Whether your style calls for a chime that is compact and subtle or dramatic and elegant, the Broan collection offers designs to match any décor and features that suit your individual lifestyle. You can choose from a selection of finishes to accent or complement the tones in your home and chime tones that announce your guests in style.
