

**Three speed articulating  
desk fan**

RR 2 Warton ON Canada N0H 2T0  
1-800-567-3556 or 519-534-1080  
[www.caframo.com](http://www.caframo.com)

### Assembly

1. Straighten arm and place end of wire into notch.
2. Insert into base with notch at back and tighten.

**Operation:** To operate, touch the stainless steel disk located at the centre of the front grill. Touch once for low speed, twice for medium speed, three times for high and four to turn off. The blade must be clear of any obstructions that would cause the blade to jam.

### Care and Maintenance

This product has been designed for many years of problem-free operation. Keep the air vents clear and free of dirt. These vents are necessary to keep the motor cool while in use. Unplug the fan, and use a vacuum to remove dirt from vents.

### Read and Save these Instructions

**Warning:** To reduce the risk of fire or shock, do not use this product with any solid-state speed control device (Dimmer switch).

- ✦ Unplug fan before cleaning
- ✦ Use common sense when using this and/or any electrical appliance
- ✦ Do not position too close to any objects which may be drawn into the blades and stop air flow.
- ✦ Do not use outdoors.
- ✦ Do not use on wet surfaces or immerse in water. Never allow water to drip into motor housing.
- ✦ Do not use if power supply cord becomes frayed or brittle.
- ✦ Do not use gasoline, thinners or other harsh chemicals to clean fan.
- ✦ Do not use near fireplaces, furnaces, stoves or high temperature heat.

**Important:** Avoid prolonged jamming of the fan blade. This model is equipped with overheat protection, which is designed to stop the motor if the fan blade is jammed for a long period time. Under extreme conditions, damage can occur to the blade at the point where it attaches to the shaft. If damaged, the blade will not be secure on the shaft and will have to be replaced with a new blade.

**Caution:** Keep out of the reach of children

### Specifications

- ✦ Fan operates at 12V DC, 350mA and uses AC/DC Adaptor (120V, 60Hz, 0.15A)

## 2 YEAR LIMITED WARRANTY

Caframo warranty covers repair or replacement cost of fan only. Warranty does not cover incidental or consequential damages or costs.

The product you have purchased is guaranteed by the manufacturer for two years from the date of purchase against defects in workmanship and/or materials.

This warranty **DOES NOT COVER DAMAGE TO FAN BLADES** as a result of jamming the blade while the motor is running.

This guarantee does not apply if the damage occurs because of accident, improper handling or operation, (including use with dimmer switches) shipping damage, abuse, misuse, or unauthorized repairs made or attempted.

Only parts that prove to be defective during the period of guarantee will be repaired or replaced without charge. Should repair become necessary call the Customer Service Department at 1-800-567-3556 to obtain a return authorization code and mailing instructions.

Note: Products returned from outside Canada must be shipped via regular mail due to customs regulations. Shipments via courier services cannot be accepted.
