

{economical unit heater}

**Economical in cost but not cheap in quality**

The **RUH** unit heater is small on price but big on heat. Available in sizes up to 5 kW at 240 V, it's the perfect choice to heat garages, workshops or even construction shacks.

These heavy-duty units are well suited for situations where large amounts of heat must be provided.

Quiet, lightweight and easy-to-install with a universal wall or ceiling mounting bracket, this unit heater is everything you expected for less.

**{features}**

<b>color</b>	almond
<b>finish</b>	epoxy-polyester powdercoat
<b>manufacturing</b>	<ul style="list-style-type: none"> <li>· 20-gauge steel cabinet</li> <li>· totally enclosed and factory lubricated motor</li> <li>· 350 cfm quiet helicoidal fan</li> <li>· adjustable louvers</li> <li>· thermal protection with automatic reset</li> </ul>
<b>wattage &amp; voltage</b>	see the selection table
<b>element</b>	open-coil, nichrome element producing instant heat
<b>control</b>	built-in thermostat [included with T series]
<b>installation</b>	wall or ceiling mounted with universal mounting bracket (included)
<b>warranty</b>	<ul style="list-style-type: none"> <li>· 10 years (element)</li> <li>· 1 year (unit)</li> </ul>
