

Marc Robichaud, U.J. Robichaud TIM-BR MART,
Meteghan Center, Nova Scotia

Leadership is a state of mind.

The fifth generation Robichaud to manage 140 year old UJ Robichaud TIM-BR MART in Meteghan Centre, Nova Scotia, Marc is a leader in every sense of the word. One of the oldest building supply businesses in Canada, UJ Robichaud TIM-BR MART is also quite possibly the most technologically advanced, since Marc has made his business a role model for using technology to leave a smaller environmental footprint. Outside of his store, Marc's volunteer positions are too lengthy to list, but include president of Chambre de commerce de Clare, which is seeking to make their region a North American leader in energy efficiency and self sufficiency. Although Marc clearly has one foot in the future, his love for heritage is reflected in UJ Robichaud TIM-BR MART's many awards for taking a leadership position in keeping the French Acadian culture strong and vibrant.

Other TIM-BR MART members are children's sports team coaches and sponsors, mayors and town councilors, serve on the executive of their local BSDA and keep their community safe as volunteer fire fighters and search & rescue heroes.

The common thread that weaves TIM-BR MART members together is their position of strength and success. In their business, their industry and their community. TIM-BR MART members are leaders. We congratulate their success. And we applaud their spirit.
